

# RKT PRECISION-COUNTING DIAL-H22

| Outlook           |                     |
|-------------------|---------------------|
| Outside diameter: | 22mm    Height:25mm |
| Dial of Axle Hole | 4, 6, 6.35mm        |

| Characteristics          |                                     |
|--------------------------|-------------------------------------|
| Rotary Torque            | 55m Nm min                          |
| Weight                   | 7 grams                             |
| Center distance position | 9                                   |
| Revolution               | 0-19, 0-9                           |
| Index/num                | 1 or 3                              |
| Fixed form               | Inside six angles fixed             |
| Scale precision          | 100grids/turn<1%<br>50grids/turn<2% |
| Carrying Tolerance       | < +-3grid                           |
| Temperature Variation    | -25℃+55℃                            |
| Rotation life            | 10000 turns(cycles)above            |

Note: Specification are subject to change without notice.

Unit:mm Tolerance:±0.25 if not specified
